Changing your name to something different than your formal legal name?

It is important to know that ANY changes to your name will be reflected on your official academic record, transcripts, certificates, and diploma/degree. Changing your name to something other than your formal legal name may result in complications with the verification of your credentials and transcripts for things like job applications, student loans (OSAP/Bank Loans), taxes (T2202A), professional licensing bodies, and applications to other educational institutions (e.g., graduate school applications, universities transfers). **It is the sole responsibility of the student or graduate to resolve or deal with issues resulting from a name change.**

Students who wish to avoid some of the problems discussed above might consider changing their name back to their formal legal name before graduation. You may do so by submitting this form to the Registrar's Office before the deadline for name change before the convocation.

YU Student ID

Your YU student ID card must match your current active name on YSIS. Valid government-issued photo identification matching a current or previous registered name in YSIS must be presented when you visit the student services office to obtain a replacement card. Your previous ID card must be surrendered in order to avoid a replacement fee.
